

Permanent Placement & Consulting Services in Information Technology

Director of Information Technology – Fort Worth, TX

Well-established and highly-professional Fort Worth-based company is seeking a Director of IT to manage a shop of 10+ people (infrastructure, development, budgeting, hiring/firing, etc.). This position offers a chance to take your career to the next level.

Requirements:

- Must have a four-year degree from a recognized name school and a GPA of 3.25 or better. Masters a plus.
- Polished oral/written/interpersonal skills and the ability to interface with people at all levels.
- 8-15 years overall IT experience showing a command of technology and leadership plus a steady progression of advancement.
- Ability to quickly understand structure, systems, and goals that meet business needs and the ability to recognize and enact change designed for stability and speed.
- Background and interest in all aspects of IT, but probably will have expertise developed in either infrastructure or applications development.
- **Base & bonus can exceed \$165,000**
